

Ditton Lodge

A message from Mrs Tweed

Welcome back! It has been lovely to see the children back in school this week. The children have calmly and positively embraced their learning. The new Reception children have settled into school life seamlessly.

We look forward to teaching your children this year and opening up many opportunities and possibilities to them. Please do come and meet your child's teacher on Monday 9th September at 5.30pm and ask any questions that you may have.

This week our class spotlight is on EYFS

Well done to all of our new children in early years! It has been a week of firsts and the children have taken it on board beautifully. They have learnt how to answer the register, sit on the carpet, where to put their belongings and so much more.

They have really enjoyed getting to know their new friends and exploring the provision with them. Outside has been particularly popular, especially the water shed! Inside, we have made lots of pictures to take home and some children chose to make their own boats using the junk modelling resources. We were very impressed with the creativity shown!

We are so proud of every single child this week for completing their first week at school and hope they enjoy a very well deserved weekend!

Ditton Lodge

Enrichment Opportunity

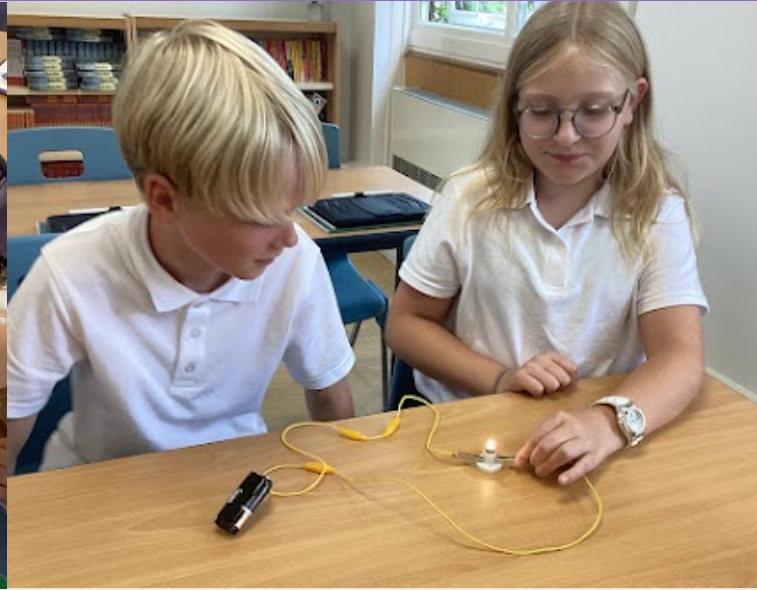

Every Tuesday after school, every teacher at Ditton Lodge will be providing an after school club. Clubs being offered include German, wellbeing, debating, drawing, yoga and more!

We have given your children an idea of the clubs in Assembly this week. We would love as many children to join us as possible. If you would like your child to join us, please pick them up at 4pm so they can enjoy the extended day!
