

Ditton Lodge

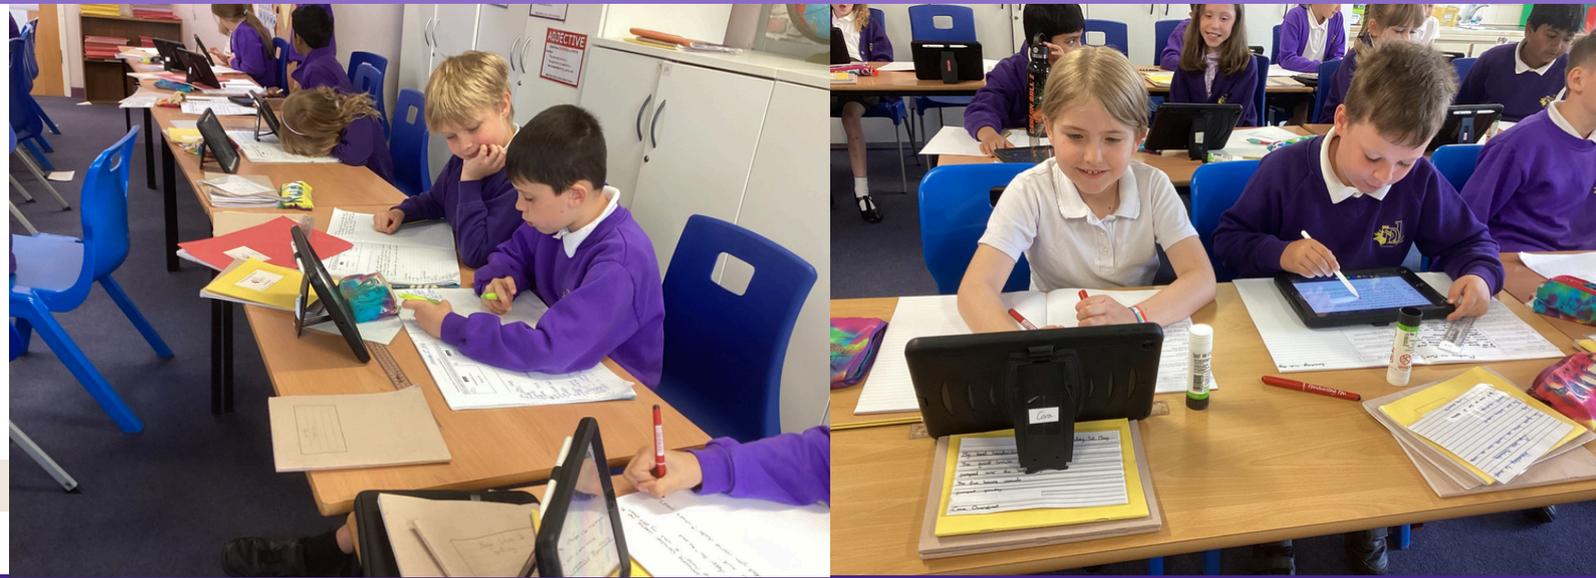

A message from Mrs Tweed

A big shoutout to Year 6 this week - they all demonstrated excellent resilience and positivity whilst completing their SAT's. We look forward to them showing their other talents during the next half-term through a range of leadership opportunities and of course their end of year production.

Next week we are trying some maypole dancing on Thursday - look out for the photographs they will capture this enrichment opportunity. Have a terrific weekend.

This week our class spotlight is on Year 4

This week, in Year 4, we have had great fun exploring Sound in Science and enjoyed watching sound vibrations making popcorn move. We have been working with money in maths to solve real life problems. We are looking forward to finding out what 'the Vanishings' are in our class novel Varjak Paw. We have just begun a new unit in Writing, First Person Diary entries. We are working hard to improve our Swimming Skills in PE. We have been learning about the Five Pillars of Islam in RE and sharing our expert knowledge with others. In History, we are becoming more expert in understanding how and where the Vikings invaded and the impact it had on Britain. Another week of awesome learning Year 4, well done!

Ditton Lodge

This week our subject spotlight is PE

Everyone has enjoyed taking part in the virtual skipping competition, the children have recorded their skips for 2 minutes and have challenged themselves each week to improve on their personal best. We have also learnt new skipping games and skills. It would be lovely to see some of the children skipping over the half term break
