

Ditton Lodge

A message from Mrs Tweed

It was lovely to walk the school during Enrichment time on Tuesday. The children were chatting, creating, smiling and enjoying themselves. It is a great opportunity for the children to make new friends and play alongside children in other classes. Clubs ranged from German, Lego, Science, Story, Yoga to dodgeball. We look forward to introducing some new opportunities next half-term.

Next week we will be launching our Rights Respecting work in school and introducing the words 'Duty Bearers' and 'Rights Holders'. More to follow very soon!

As always, enjoy your weekend and thank you for your continued support at Ditton Lodge.

Ditton Lodge

This week our class spotlight is Year Two

Year 2 have come to the end of our look at the Great Fire of London. We have discussed in great detail the cause and effects of the fire and its repercussions that continue to affect the way we erect buildings and fight fires today. This term, we have been comparing England and Kenya in geography. We have studied the differences and similarities in both human and physical features of both countries. The largest tribe in Kenya is the Maasai and they are known for being proud and courageous warriors. In science, we have thought about the suitability of different materials to make objects according to their properties. We were able to use our knowledge, to select materials that are waterproof to design a coat for use in bad weather. If you could choose one material to make all of the objects in the classroom, which material would it be? In dance, we have been learning to keep count and create a sequence of moves.

This week our subject spotlight is History
