

Good News!

Year 6

Year 6 have enjoyed their first week of writing based on moral stories. We have looked at different fables and proverbs and concentrated on including adverbs, expanded noun phrases and dialogue in our writing! I have been blown away by the quality of their writing. We have been investigating different rhythms in Music and had fun learning the Kodaly method this week.

Year 5

Another fantastic week for Year Five! We have begun our new writing unit around writing a Greek myth, balancing dialogue and description. The children have been really excited by it and their writing has been superb. We have been particularly impressed by some of their vocabulary. We cannot wait to see where they go next with it. Aim high and achieve Year Five!

Year 3

Year 3 have enjoyed their learning this week and taken risks with their drawing and painting. We have learned what a tint is and how to paint ammonite swirls. We have continued to aim high in Maths. Well done Year 3!

Year 1

Well done Year 1. We have had a super week in all areas of our learning. You never gave up when we were learning the 4 countries and cities of the United Kingdom. You achieved when we labelled these on a map! We worked as a team in Design and Technology to make a moving picture with a horizontal slider and a vertical slider too. We are looking forward to being historians next week. Well done Year 1.

Year 4

Well done Year 4, what a great week of learning! We've been so interested in finding the different rivers in our local area: seeing the tributaries and tracing them from the source to the mouth. We finished off a great week of maths with recapping Roman numerals and are very pleased that we now have place value instead! Well done for aiming high and never giving up.

Year 2

We are so proud of the children in Year 2 this week. You never gave up even when you found sewing a running stitch a little tricky. It was great to see experts helping others. You have also been thinking how you can improve their presentation in all their books. Keep aiming high and achieving Year 2!

Reception

We started a new topic this week, 'those nearest and dearest', so we have been thinking about how to be a good friend. Well done Reception, you've had another great week!

Week ending Friday 1st October 2021

Good News!

continued

Mrs Moore's Memorable Moment

This week, we saw democracy in action at Ditton Lodge. As part of the roles and responsibilities within school, 3 boys and 3 girls stood as candidates for Head Boy and Head Girl for this academic year. It was a privilege to listen to each of the candidates share why they should represent Ditton Lodge as Head Boy or Head Girl. I was blown away by each of their commitment to the role and their determination to serve the school and each of the pupils within it. They spoke about, amongst other things, showing kindness to each other and resilience when it is hard. They impressed each of us with the clarity with which they spoke. The whole school was then given the opportunity to vote in a secret ballot.

The votes have been counted and verified and I am excited to be able to announce that our Head Boy is Manny, our Head Girl is Amelia and our Prefects for this academic year are Emily, Isla, Jacob and Xavier .

This Week's House Points Winner is :

Palace House	2660
Tattersalls House	1890
Severals House	1895
Hyperion House	2065
