

Good News!

Year 6 Year 6 have had an incredibly busy week. It began when a group of young ladies led the whole Monday assembly by themselves, and did so beautifully! Year 6 have then spent a lot of time this week in Maths investigating how salaries, taxes and bills work for adults. They were surprised at how much different jobs earnt but were more surprised by the amount of different bills they would have to pay as an adult! They then tried out planning meals for a week and adding items to an online supermarket order to see the total. It was eye-opening but a lot of fun. The Year 6 team are sure they will make very responsible adults with top budgeting skills!

Year 5

The year 5 children have had a brilliant week this week learning bike safety and maintenance with the Bikeability instructors. They have been cycling on the playground and on the roads throughout Newmarket. Their confidence and cycling ability has improved greatly and all the children should be proud of their hard work and perseverance.

Year 3

Year 3 have enjoyed making and eating the fruits of their labour this week when we made fruit kebabs. We aimed high with the parachute in PE and had lots of fun with Mrs Paskell. Well done Year 3, you have really impressed us this week.

Year 1

Well done Year 1 for a super week of being artists. We have enjoyed composing our beach scenes and using the vocabulary of 'horizon' and 'landscape'. We have had some lovely feedback from Ms Lewis about yesterday's Move up Morning. Ms Lewis said the children were a pleasure and she was suitably impressed with their writing. Well done for aiming high Year 1.

Year 4

Year 4 have enjoyed learning using coordinates to plot and move shapes in maths. We looked carefully at the X and Y axes and remember 'Along the corridor and up the stairs', or 'X on the decks, Y in the sky'. Miss Bramley was very impressed with our mature behaviour and attitude when we made fabulous graffiti art in our morning in Year 5.

Year 2

Year 2 have been learning how to tell the time at o'clock and half past this week. We are really proud of the resilience you have shown, as telling the time can be tricky. Well done! We are also impressed with the instructions you wrote for Tiddlywinks in Writing Week. We are looking forward to the finished pieces today.

Reception

Week ending Friday 9th July 2021

Receptions have continued to learn about Superheroes. Today is our superhero day and the children have come to school in their brilliant superhero outfits. The children have really impressed us and the year 1 team with their move up morning yesterday. Well done Reception keep up the super listening.

Mrs Moore's Memorable Moment

This week, we have had our Move Up Mornings as well as the first of our new Reception Class Teddy Bear's Picnics. The pupils had a really great morning on Thursday practicing being in their new class and meeting their new teacher and teaching assistants. We were very proud of the way they demonstrated our Ditton Lodge High Fives. They really impressed their new teachers with their knowledge, skills and positive attitude to learning. We are all really looking forward to seeing all they will achieve next year. Have a wonderful weekend and stay safe whether you are watching football or not! We look forward to next week and having a really successful final week of learning this academic year.
