

Good News!

Year 6

Year 6 have had a fabulous week this week. They have loved challenging themselves to learn how to set up and design their own websites to promote online safety. We have also been studying the art work of Frida Kahlo and have begun to develop our own abstract artwork based on fruit. Well done year 6!

Year 5

Year 5 have had a wonderful week, consistently showing the Ditton Lodge High 5 through their behaviour and their work. In Maths, we have challenged ourselves by setting ourselves targets of work to complete and then going even further! In Art, we have been enjoying subtractive art and even managed to link it to images in SFA, where we have begun to read 'Kensuke's Kingdom'. A great start Year 5, keep it up!

Year 3

Well done Year 3 for aiming high and achieving this week. You have been working very hard on your presentation and setting out all your work and you have really impressed me with your Music this week. You never gave up with your sewing and I am really looking forward to seeing your cushion designs next week.

Year 1

Well done Year 1 for a fabulous first full week back. We are very proud of the way you have settled into our class daily routine. You have worked hard with your reading, writing and maths and have enjoyed learning the names of the 7 continents and 5 oceans. Keep aiming high.

Year 4

Year 4 have been working fantastically this week, following the Ditton Lodge High Five! They have produced some wonderful artwork looking at the work of Giorgio Morandi. We arranged jugs and other objects into various compositions and then sketched our work. We focused on contour lines when drawing our still life. Awesome work Year 4! We are really proud of the start you have made!

Year 2

Year 2 have completed their first full week back at school and all of you have aimed high and achieved this week. Well done! The Great Fire of London has captured many children's imagination this week and we can't wait to learn more about it.

Reception

Week ending Friday 10th September 2021

Reception have made an amazing start to school. We are learning the routines of the day and enjoyed a tour of the school. We are making a good start at learning to be active listeners.

Good News!

continued

Mrs Moore's Memorable Moment

What an amazing week we have had at Ditton Lodge. We have had our first full week with all the children in school and the sun came out to celebrate!

It has been wonderful for us to come together in person as a school in our Friday Achiever's Assembly and celebrate each class's achievements. We have started this year looking at Getting Along Together and looking at the skills we need, to work together as a team. The pupils have been looking at how our Ditton Lodge High Five Values help us to be the very best that we can be in all that we do.

Thank you for all your support to your children as they made the transition back to school after the summer and to you whose children have started Ditton Lodge school for the first time. I am really looking forward to working with you all this year and sharing our achievements with you each week.

Have a lovely weekend and I look forward to 'seeing' you at Tuesday's Meet the Teacher and Meet the Headteacher event via Teams.

This Week's House Points Winner is :

Palace House	1215
Tattersalls House	1085
Severals House	1150
Hyperion House	1150
