

Good News!

Year 6

What a fantastic final week for Year 6! We have been so busy. This week we spent Monday afternoon at the Jarman Centre, playing games and having a picnic. We had a wonderful Leavers Awards on Tuesday where we had the chance to celebrate all we had achieved. The week then continued with board games, puzzles, cake decorating, crafts and sports. You will be hugely missed Year 6. We are all so proud of you and everything you have achieved but we know you will remember your Ditton Lodge High 5 as you move forward and will continue to do us proud.

Year 5

Year 5 worked hard on a collaborative google slide presentation on space this week. We researched dark matter, black holes, galaxies and the moon landing to create a wonderful and informative Space project presentation. Although it was unfortunate that we couldn't be together on the last two days of term, we had lots of fun completing a variety of challenges at home yesterday. Year 5 have shown their Ditton Lodge High 5! Well done!

Year 3

Year 3 have continued to enjoy their learning this week and we had great fun playing rounders and dodgeball this week in our PE. We aimed high with our mood boards and enjoyed writing instructions for how to tie dye in our sketchbooks. A great end to the year, well done! Enjoy your Summer break and we look forward to seeing you as Year 4 in September.

Year 1

Well done Year 1! We made it to the end of the school year! You have worked so hard and made so much progress in your learning. Thank you for a fun week of outdoor learning - our bug hunt, the hula hoop challenge and our maths games outside. Have a super Summer holiday and we look forward to seeing you as a Year 2.

Year 4

Year 4 finished the year on a high, using elimination to solve logic puzzles in maths and writing beautifully illustrated rhyming couplets on the theme of 'home' in English. Well done for being such a fun, kind and brainy bunch. Have a lovely break, see you in September!

Year 2

Year 2 we are so proud of all that you have achieved this year! You worked hard to master telling the time at quarter past and to the hour this week in maths, which is tricky. We also liked your posters explaining the differences in humans as they grow. Have a great summer.

Reception

Week ending Friday 16th July 2021

Wow what an amazing first year you have had Reception! We have covered so many topics this year and you have learnt so much. This week we have been focussing on Pirates where we have made lots of maps and written instructions to find the treasure. Have an amazing summer holiday and we look forward to seeing you in year 1.

Good News!

continued

Mrs Moore's Memorable Moment

As we draw this year to a close, I want to thank you for all of your support and encouragement. It was wonderful to have so many of you with us this morning to share our End of Year Celebration Assembly. Each of the children have impressed us with their determination and positive attitude and I am extremely grateful to each one of you as without you, this year would have been very different!

Have a restful summer and stay safe. We really look forward to welcoming you back in September (without bubbles!). To those of you who are moving on from Ditton Lodge, thank you for being part of this very special community and know how much we appreciate each one of you. See you on 2nd September.

RIBIT Certificates

20th - Sonny W

30th - Molly W, Lily W, Wren B, Hannah A

40th - Millie M

This Week's House Points Winner is :

Palace House 2100

Tattersalls House 2010

Severals House 2190

Hyperion House 2180
