

Good News!

Year 6

This week in Year 6 we have been doing mock SATs and they were quite tricky but all of our scores were amazing. We are feeling very proud of ourselves.

In history we have been learning about Ancient Greeks and how they started democracy. We then had our own debate about slaves and whether they should be released or not.

We also had a school nurse come to talk to us about growing up. It gave us lots to think about.

Lauren and Lottie

Year 5 This week in maths we have been looking at quicker methods for working out multiplication and division problems. For multiplication we have used the ladder method and we are using bus stop to solve division. We have realised how important times tables are when we are doing arithmetic.

We have read the Jabberwocky poem by Lewis Carroll in SFA and have written our own versions using the same nonsense language but about a different mythical animal. This has been really fun.

In History we have been learning about The Legend of Tutankhamun who was a very powerful Pharaoh in Ancient Egypt. When he died, his Mummy was stolen by thieves who wanted the valuable gold and treasure that were buried with him in his tomb.
Klevis and Chloe

Year 3 In Maths this week we have been learning our 12 times tables.

We had great fun in our P.E. lesson learning about different kinds of dance moves. We were moving as if we were icicles. Ella

In History we have been learning about the Stone Age. We learned that in the Palaeolithic Age, people made tools from flint. Charlie

Year 1

This week we have been using words like above, on top of, underneath to describe where something is. (Evie)

In dance, we were stretchy men and I enjoyed pretending to stretch my partner and let his arms ping back. (Logan) Evie and Logan

Year 4 This week we have been doing SFA, which we are enjoying. We also did a grammar lesson on fronted adverbials. We are beginning to use them to write sentences and to remember to use a comma. A fronted adverbial tells you when, where or how something is done.

In maths we have been measuring the weight of fruit predicting and then weighing as well as making graphs on the computer. We weighed pasta, rice, a melon, a pineapple, a grapefruit, and an apple.

In history we made an Anglo-Saxon timeline, learned about why and where the Anglo-Saxons settled. Abia and Samson

Year 2 I liked the history about the Great Fire of London work. I learned that Samuel Pepys wrote a diary about the Great Fire of London and that's how we know all about it. Eyewitnesses also painted pictures of the fire. (Isabelle)

I have enjoyed maths this week. We have been measuring in centimetres. When you use a ruler you need to start at 0. I have measured my water bottle, a paintbrush and lots more. (Lucas)

Reception

We have been practising our numbers 1-5. We used the numbers to help us add and take away. (Ethan)

On Tuesday we went to forest school with Mrs Wood. My forest name is Harsha Horse. We built a den. (Harsha)

Week ending Friday 8th November 2019

Good News!

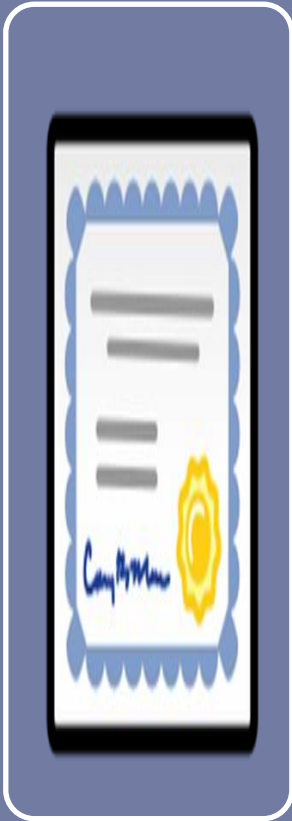

continued

Mrs Moore's Memorable Moment

This week, our Head boy, Head Girl and Prefects have been selling poppies on behalf of the Royal British Legion's Poppy Appeal. Thank you to all of you that have supported this. It has been a time for us to discuss remembering those who gave up their lives for us; those who sacrifice allows us to live in peace as a nation. I have listened to children's conversations about poppies and have been impressed with their insight. I know that some of you will be taking part in Remembrance Sunday events at the weekend and as a school, we will be collectively having a minute's silence at 11am on Monday as part of Armistice Day.

This Week's House Points winner is:

Palace House	1435
Tattersalls House	515
Severals House	480
Hyperion House	865

News from the PTFA

Just a reminder that the Bags 2 School are due in on Tuesday 12th November by 9.00 am.

If you have any good quality second hand adult or children's clothing, paired shoes, hats, belts, handbags, ties and soft toys you no longer require, please send them to school in the bag that was sent home in your child's book bag recently. If you fill up your bag, dustbin bags can be used. The PTFA will receive money per tonne of goods collected.

Attendance for this week

Reception	98.67%	Year 1	100.00%	Year 2	99.00%	Year 3	98.52%
Year 4	98.00%	Year 5	99.29%	Year 6	99.35%	Whole school	98.98%
