UNITY SCHOOLS PARTNERSHIP SCHEME OF DELEGATION

Revised 2022/23

We share responsibility that every school provides every child with the very best education we can provide.

The Scheme of Delegation outlines the different areas of responsibilities for Unity Schools Partnership, the trustees, the senior executives, the Local Governing Body and the Headteacher. It has been divided into sub areas in which the responsibilities of each group are shown. The role of the Local Governing Bodies (LGBs) has evolved, and governors are now focusing more on the quality of education and the curriculum to ensure that every child is receiving a broad and balanced education, improving outcomes for all pupils, and wider community engagement. This Scheme of Delegation should be read in conjunction with The Trust Handbook for Local Governance which provides additional context and detail about LGB responsibilities and individual Governor roles.

The Trust Board is the overall accountable body for the Trust. However, the Trust is committed to local governance and sees the role of local governors as working with the trust central executive team to ensure the best possible outcomes and opportunities for all pupils in our schools.

The Scheme of Delegation aims to support the values of the Trust.

The role of Members

The members of the trust have a different status to trustees. The members appoint trustees to ensure that the trust's charitable object is carried out and so must be able to remove trustees if they fail to fulfil this responsibility. Members are responsible for approving any amendments made to the trust's articles of association.

In order to retain a degree of separation of powers between the members and the trust board, and in line with DfE expectations, the chair of the trust board is the only trustee who is also a member. Members are not permitted to be employees of the academy trust.

The role of Trustees

The trustees are the charity trustees (within the terms of section 177(1) of the Charities Act 2011)

and are responsible for the general control and management of the administration of the trust in accordance with the provisions set out in the memorandum and articles of association. The board of trustees is the accountable body for the performance of all schools within the trust and as such must:

- Ensure clarity of vision, ethos and strategic direction
- Hold the executive to account for the educational performance of the schools and their pupils, and the performance management of staff
- Oversee the financial performance of the trust and make sure its money is well spent

Because trustees are bound by both charity and company law, the terms 'trustees' and 'directors' are often used interchangeably. We use the term trustee as it avoids the possible confusion caused when executive leaders are called directors but are not company directors and trustees.

The role of the Local Governing Body (LGB)

The trust board has established an LGB for each school. It appoints the chair (generally as recommended by the LGB), expecting headteachers to ensure two parents and one member of staff are elected.

The role of the LGB is to work with colleagues in the trust to

- set, with the headteacher, the strategy and strategic objectives ensuring the trust's and school's vision, value and ethos are realised
- challenge and support, through monitoring and stakeholder engagements
- oversee safeguarding and wellbeing, putting our pupils, staff and community at the heart of what we do
- ensure compliance and effectiveness, ensuring adherence to the Trust vision, values and ethos

The role of the Chief Executive

The Chief Executive has the delegated responsibility for the operation of the trust including the performance of the trust's academies and so manages the academy headteachers.

The Chief Executive is the accounting officer so has overall responsibility for the operation of the academy trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability, avoiding waste and securing value for money. The Chief Executive leads the executive management team of the academy trust and will delegate executive management functions to the executive management team and is accountable to the trust board for the performance of the executive management team.

The role of Headteacher

Each headteacher is responsible for the leadership and management of the school.
